Hash Value	: fb8c6216b13ad1fd086b9272db69e41e2207363c7ea5c9fce9aae76be5822 27fb233f45c1364f47404120038c263b37b
Path	: D:\xampp\htdocs\svccdurban.gov.in
Certificate Validity	: 1 year (Valid till 13 th March 2027)

The above web application has undergone Vulnerability Assessment & Penetration Testing, by our organization through provided Testing URL as per guidelines, advisories, white papers and vulnerability notes, directions issued by CERT-In. We also tested the web application against various Web Security Standards like OWASP Application Security Verification Standard (ASVS), Open Source Security Testing Methodology Manual (OSSTMM3), Common Weakness Enumeration (CWE), Common Vulnerabilities Exposures (CVE), Common Attack Pattern Enumeration and Classification (CAPEC), SANS Top 25 Software Errors and Comprehensive Audit Program Checklist issued by the Cyber Security

The audit was conducted on the given production environment as per auditee requirement.

Conclusion: Based on the audit outcomes, it is certified that the above application is free from any known vulnerabilities as of the audit date.

The assessment represents the security posture of the application at the time of testing only. Any changes to application code, configuration, infrastructure, deployment architecture or security controls after the assessment period may invalidate this certificate. The certificate is valid only for the explicitly defined scope.

Other Recommendations:

1. Web Server Security and the OS hardening need to be in place for the production server.
2. Web Application should comply with Guidelines for Secure Application Design, Development, Implementation & Operations issued by CERT-In.
3. Organization must comply with the Directions issued by CERT-In (Notification No. 20(3)/2022-CERT-In) dated 28 April 2022 relating to information security practices, procedure, prevention, response and reporting of cyber incidents for Safe & Trusted Internet.
4. Auditee must also follow the Technical Guidelines on SBOM | QBOM & CBOM | AIBOM | HBOM | Version 2.0 issued by CERT-In dated 09.07.2025.
